

PROGRAMME

Thursday, 30th January 2020

15:00 - 15:30	Registration	
15:30 - 15:50	Welcome	Univ.-Prof. Dr. med. Ruge Univ.-Prof. Dr. med. Voges
15:50 - 16:10	Stereotactic Brachytherapy: History and Procedure	Univ.-Prof. Dr. med. Ruge
16:10 - 16:50	Physical Basics of Brachytherapy	PD Dr. rer. nat. Treuer
16:50 - 17:30	Radiobiology of Brachytherapy in context of other radiation techniques	Univ.-Prof. Dr. med. Kocher
19:30	Social Event	

Friday, 31st January 2020

8:30 - 9:15	Indications for Brachytherapy I: Low Grade Gliomas	Univ.-Prof. Dr. med. Voges
9:15 - 10:00	Indications for Brachytherapy II: High Grade Gliomas and Brain Metastases	Univ.-Prof. Dr. med. Ruge
10:00 - 10:45	Rare Indications, Contraindications and Pitfalls	Dr. med. Rueß
10:45 - 11:15	Coffeebreak	
11:15 - 12:15	Case Presentation and Discussion	Dr. med. Lehrke
12:15 - 13:15	Hands on Brachytherapy planning and implantation techniques	Ref. Group
13:15 - 14:30	Lunch	
14:30 - 15:15	Logistics of radioactive seeds	Eckert & Ziegler BEBIG
15:15 - 16:00	Regulations and requirements to perform Stereotactic Brachytherapy	PD Dr. rer. nat. Treuer Univ.-Prof. Dr. med. Voges
	Outlook and closing remarks	Univ.-Prof. Dr. med. Ruge Univ.-Prof. Dr. med. Voges

Scientific Organisation

Univ.-Prof. Dr. med. Maximilian Ruge
Head of Oncological Stereotaxy and Radiosurgery
Vice Chairman of the Department of Stereotactic
and Functional Neurosurgery
University Hospital of Cologne
Germany

Univ.-Prof. Dr. med. Jürgen Voges
Chairman of the Department
of Stereotactic Neurosurgery
University Hospital Magdeburg A.ö.R.
Germany

Faculty

Univ.-Prof. Dr. med. Martin Kocher
Radiation Oncologist and Senior Scientist
Department of Stereotactic and
Functional Neurosurgery
University Hospital of Cologne
Germany

Dr. med. Ralph Lehrke
Chief Physician
Department of Stereotactic Neurosurgery
Functional Neurosurgery
St. Barbara-Klinik, Hamm
Germany

Dr. med. Daniel Rueß
Attending Neurosurgeon
Department of Stereotactic and
Functional Neurosurgery
University Hospital of Cologne
Germany

Priv.-Doz. Dr. rer.nat. Harald Treuer
Chief Medical Physicist
Department of Stereotactic and
Functional Neurosurgery
University Hospital of Cologne
Germany
